KnowledgeKeepersBookstore.com

Thank you for downloading the Knowledge Keepers reading challenge trackers!

If you have cardstock, I recommend that for printing, though any paper is great. Grab a colored pencil, highlighter, or even a crayon to mark each book category as you complete it.

Or, use the complete reading challenge record to keep track of the titles you read in each category.

Be sure to share your completed challenge on social media! Tag @knowledgekeepersbookstore on Facebook and Instagram, and use the hashtag #readingchallenge for fun.

Happy reading!
